

Serv Safe Alcohol MAST Class

ServSafe Alcohol® is a vital, practical and current responsible alcohol service training program available and accepted in 47 states, including Washington. Developed by the National Restaurant Association, ServSafe Alcohol implements the same approach ServSafe® pioneered as the industry's most recognized food safety training and certification. It is also approved by the Washington State Liquor Control Board.

Those who complete the Washington version of the ServSafe Alcohol course and exam will not only receive their ServSafe Alcohol certification but their Washington state required mixologist (Class 12 or Class 13) permit.
